

How to join a breakout room in zoom meeting

Step 1. Click the zoom meeting link to join the main session.

Step 2. Navigate to the “**Breakout Rooms**” button at the bottom of the zoom window

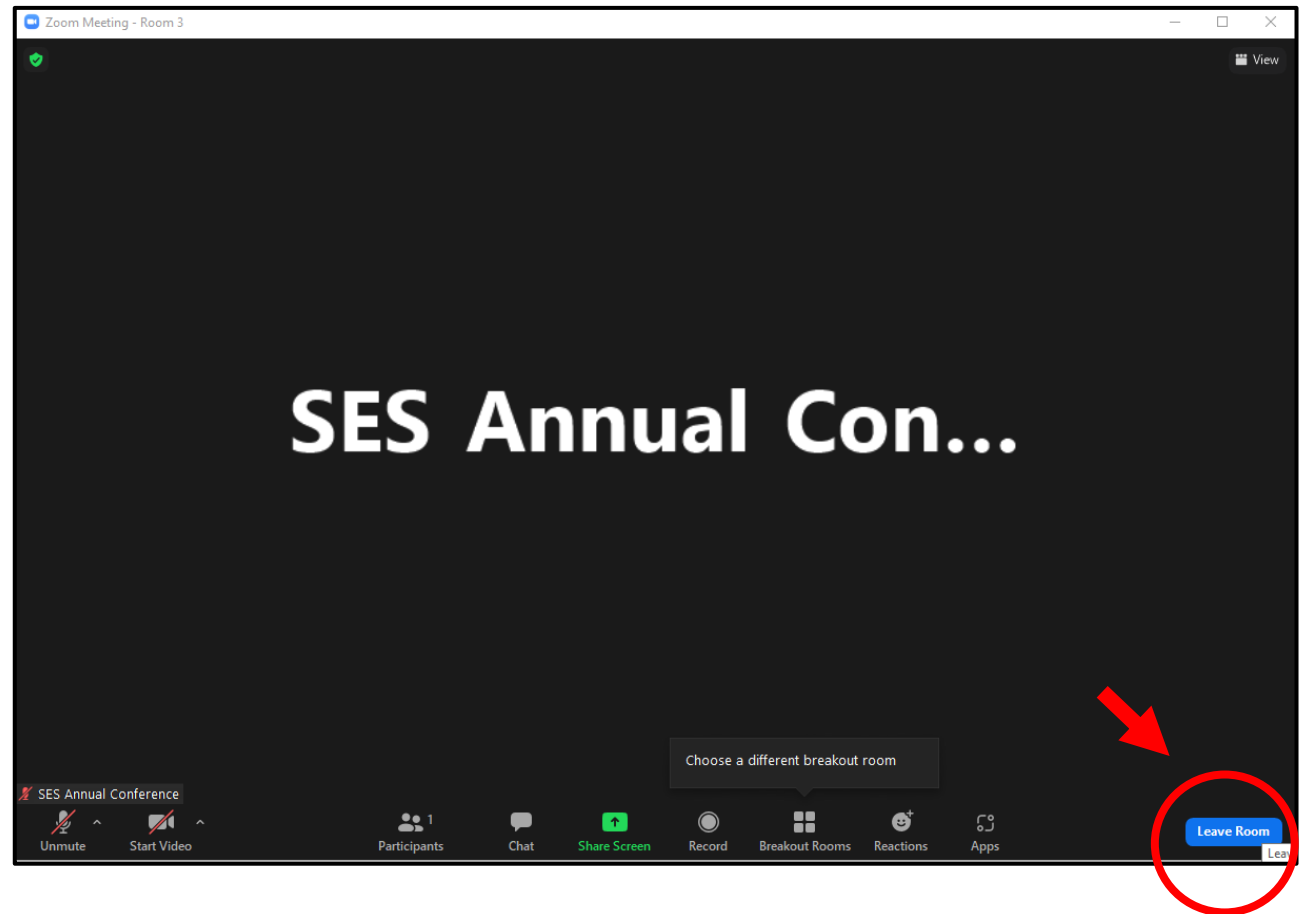

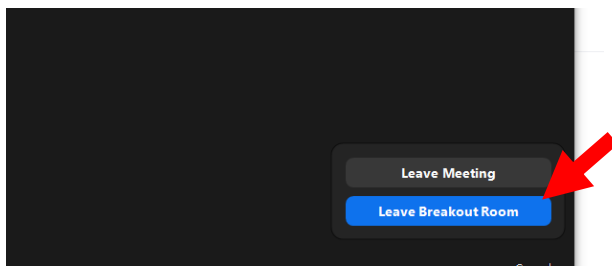

Step 3. A list of available breakout rooms will appear. Refer to the conference programme to determine which room you would like to visit

Step 4. Click **“Join”** on your selected breakout room to enter the session.

Step 5. To leave the breakout room, navigate to the **“Leave Room”** button at the bottom of your screen

Step 6. At this point, you can either leave the breakout room, returning to the main session, or leave the meeting entirely. To join another session repeat step 1.
